

Petition For Cancellation of License Agreement

It is very difficult to cancel your housing license. In order to cancel a license, University Courtyard requires verification of a significant change in circumstances after the cancellation deadline. Very few residents who petition to cancel for reasons other than not attending Fresno State are released from the license, and substantial documentation is needed before the petition can even be considered for review.

Before proceeding with your petition, please review the "Petition for Cancellation Housing License Guidelines."
It provides additional information and clarification on the cancellation process.
